

Dear valued partners,

At this very challenging and unusual time for the entire world, and the uncertainty with the outbreak of COVID-19, I would like to reassure you that we are open for enquiries to Switzerland and Europe.

Our team in Lucerne (Switzerland) is here to help you preparing programs for next season and provide advice and answers to your questions. We are in constant communication with our suppliers and our extended family of Tour Leaders all around Europe to stay up to date on local regulations and restrictions.

When you are ready to plan programs again, we will be ready for you. In the meantime let's get some inspiration for your next vacation or new program to Switzerland by watching the video «[I need Switzerland](#)», created by Switzerland Tourism.

Warmest Regards from European Walking Tours,

Bettina Weber
Managing Director
